## Tutoring Experience

Over the past decade, I have helped students prepare for UCAT, guiding them through strategies that boost scores and confidence. My experience includes extensive work with A-Level and GCSE students, where I focus on core concepts in Biology and Chemistry, preparing them for high-stakes exams and university applications.

Additionally, I support students across diverse curriculums, ensuring each is ready for competitive applications and entrance exams. My students come from various educational backgrounds, benefiting from a tailored approach that strengthens their skills and prepares them for academic success in top institutions.
