Tutoring Experience

Over the past eight years, I've guided students through UCAT preparation, helping them master key strategies for success. My sessions cover A-Level and GCSE topics as well, with a strong focus on Biology and Chemistry, ensuring students excel in competitive exams and university admissions.

Throughout my career, I've worked with students from diverse backgrounds, tailoring sessions to individual needs and academic goals. My students have consistently achieved high scores, with many progressing to top universities in the UK, a testament to the effective and structured guidance I provide.
